Delta Knows Talent, a virtual showcase, is aligned with our Physical and Mental Health thrust. It is an event designed to raise awareness about the importance of mental health in our communities, especially during this COVID-19 pandemic. You will enjoy Talent offerings performed from various art genres, performed by a diverse group of talented individuals, as well as special appearances from special guest speakers such as Cherri Gregg, Community Affairs reporter for KYW News Radio, Trapeta Mayson, Philadelphia Poet Laureate 2020-2021 and Mr. Kenny Gamble, singer, songwriter, and producer.

The pledge proceeds from this fun and entertaining event will benefit the Philadelphia Black Women's Health Alliance (PBWHA) whose mission is "to work to improve health care outcomes and reduce health disparities for African-American and other minority women and their families through advocacy, education, research, and support services." If you cannot join us **on Sunday, February 28, 2021, at 4 pm**, please consider a donation to our cause.
